## Sub: STAR PROGRAMME Report – Reg

Social responsibility is one of the characters that is to be developed by all students during the course of study. In this context, IEEE WIE AG of our college has conducted a STAR programme on “Awareness on importance of Education to girl students & Computer basics” for Government school children of 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> Standard (A total of 68 school children) on 4.03.2017. The school is located in Pasupula village, which is 2 km away from our college and 10 Km from District headquarters.

Then we started this programme at 2.15 PM by taking a few group of WIE AG members (6 faculty members + 30 student members) by conducting a rally in pasupala village to educate girl students and then demonstrated the importance of Education to girl students by showing motivational videos in the school. Also they were explained how to use Microsoft paint, Note pad, and Word pad. Also they were made to practice and were clarified doubts by all the members present. At the outset the school, children were very happy to get learnt about the computer and its use in day to day life as well as for learning purpose. This programme went on well till 4.00 PM and the Headmaster of the school appreciated the efforts of IEEE WIE AG Student volunteers.
