Date: 04/10/2016

Sub: Report on IEEE Day – 2016 – Reg

As a part of IEEE DAY celebrations, PES Chapter of GPREC IEEE has organised an event named “GREEN VILLAGE CHALLENGE”. The main motto of this event is to make the students of Electrical and Electronics Engineering department analyse the problems of transmission and distribution systems and they need to design a village which should use less power consumption with great outputs.

The total number of students participated in this event are four. At the end of the Day at 4:15 pm, all IEEE faculty members and student members were gathered as part of closing ceremony. K.SUMA of III EEE and D.SRIDEVI of III EEE were appreciated by all the dignitaries (Chief Guest Aravindhana A from Chennai, Student Branch Counsellor etc.) through a memento for their design .At the end there was a photo session .The following are the photo snaps of this event.

6 teams have participated out of which 4 teams are IEEE members.
