

G. PULLA REDDY ENGINEERING COLLEGE (AUTONOMOUS): KURNOOL

IEEE CS CHAPTER POSTER PRESENTATION REPORT

06/08/2016

GPREC IEEE Student Branch(STB 15721) started on 19th July 2014. Computer Society (CS) chapter was approved on 20th June, 2016. At present 12 students and 2 faculty are members of this chapter. The inaugural function of the CS chapter was held on 6th August,2016 along with the other 5 chapters .

On the day of Inaugural function at 3.00 PM IEEE Computer Society chapter organized a poster presentation on “REAL WORLD PROBLEMS AND ITS TECHNOLOGICAL SOLUTIONS”.

The objective of this event is to get awareness and enhance the knowledge of present day technologies and its associated problems. Also to make the students think of problems and solutions for the benefit of society.

The target audience for this event is U and PG student. 10 students members were participated for this event. The following is the snap shot of the event conducted.

Finally, there was a prize distribution for the participants of poster presentation and appreciation.
