IEEE Student Branch STB15721

06/08/2016

Sub: Talk on “Exemplary Student branch” Report – Reg

IEEE GPREC STB (15721) of our college organized a talk by Dr Arif Sohail (Vice chair of IEEE EDAS/CAS chapter of Hyd Section) on 06-08-2016 from 11:30-12:30 pm. Students from EEE, CSE, ECE branches attended the guest lecture.

Student Vice Chair Miss. Soundarya of IV CSE gave the introduction of Dr Arif Sohail (Vice chair of IEEE EDAS/CAS chapter of Hyd Section. He is presently working as Associate Professor in ECE dept of Muffakam Jha College of Engineering and technology, Hyderabad.

The session was all about importance of IEEE student branch activities; It was about how IEEE student branch has to be and work for the betterment of student community. During this session, the student branch reporting, L31 meetings, Officer reporting, Officer training etc were discussed and also good practices were demonstrated to the audience as well as IEEE STB Execom members. Apart from the above financial aspects of a student branch were dealt i.e how to get financial support from IEEE as well Section along with management support.

At the end of this session Dr N. Ravi Shankar Reddy, PES Society Advisor and Sri C. Harinath Reddy, Branch Counsellor (Asst. professor of EEE department) thanked Dr Arif Sohail for his talk and advised students to make the IEEE GPREC Student Branch to be the best.

The following are the snap shots during the lecture delivered by Dr Arif Sohail.
