

G. PULLA REDDY ENGINEERING COLLEGE (AUTONOMOUS): KURNOOL

IEEE STUDENT BRANCH (STB 15721)

A REPORT ON TECHNICAL TALK ACTIVITY

Date:06/08/16

In today's world for anyone to get succeed in life not only technical knowledge but also co-curricular activities are also most essential. In view of this our college established an IEEE Student Branch on 19th July, 2014. In continuation, our college has decided to start **Communication Society (COMSOC)**. The inaugural function of COMSOC was held on 6th August, 2016. On this occasion technical activity and general activity were conducted i.e., technical talk by Dr. Sanjeev Nimishakavi from Qualcom, Hyderabad and general talk about comsoc by Dr. Munir Mohammad from IEEE office Bangalore.

Target audience: Faculty and students of ECE department.

Objective: The purpose of this talk is to enhance the knowledge on Digital communications and get awareness on comsoc activities and how to strengthen the student chapter.

Dr. Munir Mohammad told about IEEE and about Latest Technologies and Dr. Sanjeev Nimishakavi told about Digital Communication to the gathering. 18 faculty members of ECE and around 50 students(10 IEEE students) were present.
