#### **Sub: Report on Memory Boosting event conducted by MTTTS chapter – regarding**

Microwave Theory and Techniques Society (MTTS) has organized the “Memory boosting” Game on 17<sup>th</sup> September for ECE students. Many students were participated in the game. Nearly 20 students participated in the game. This game helps to increase the memory power of the students. Totally three rounds were conducted. Winners were K.Pavani priya of 3<sup>rd</sup> ECE and Kavya of 2<sup>nd</sup> ECE. Prizes will be distributed on IEEE day. Few photo snaps of the event were shown below:
