Sub: Report on the event- Idea Hunt conducted by ITS chapter- Reg

In this trending technology, everyone would dream to invent something new or have some ideas running in their mind. These develop interest towards the subject. Focusing this concept, under ITS professional activity i.e. Idea hunt, was conducted on 17th September for all the ECE students in ECE-4 class room at 1.30 P.M. A count of 13 members participated in this event. Among them 8 were IEEE members and 5 were non-IEEE members. For this event Lakshmi Prasanna Kumar, Asst Prof in ECE Dept was the judge. By conducting such events we can come up with the best and innovative ideas. And the awards for the winners will be announced on IEEE day.
