In today's world for anyone to get succeed in life not only technical knowledge but also co-curricular activities are also most essential. In view of this our college established an IEEE Student Branch on 19th July,2014.In continuation, On 31st March,2017 MTTTS,ComSoc,ITS Societies together conducted an event named “ PICSTORY” for all the ECE students. The main aim of the event was to provide opportunity for students to express their creative skills in writing a story based on given six pictures. Total 14 teams were participated in this event, each team consists of two members. The event went well. Finally, the participants agreed that they have gained a lot of insight by participating in the event and they promised that they will further take part in such events in the future. The photo snaps of this event are:
