

G.PULLA REDDY ENGINEERING COLLEGE (AUTONOMOUS) KURNOOL

IEEE STUDENT BRANCH 15721

A Report on Vigilance Awareness Week-Elocution & Essay Writing-Events Report.

Date: 31-10-2016

The GPREC IEEE student branch took part in Vigilance Awareness Week sponsored by Power Grid Corporation of India Ltd (PGCIL) (A Govt of India Initiative). The PGCIL entrusted GPREC IEEE STB 15721 to conduct events such as Essay writing and Debate, on the topic “Public participation in promoting Integrity and Eradication of Corruption”. As a part of social activity and to make the people aware of corruption in different areas this event may be useful.

The objective of these events is to get awareness on corruption and how to reduce it for the betterment of the society.

The target group for these events is students of all branches. Nearly 210 students participated in this competition and the prizes will be distributed during the valedictory function which is scheduled on 3rd November 2016. The following are few snap shots of these events.
