Sub: Awareness Programme on “Job Opportunities in Government Sector” by Sri. Dasaratha Rami Reddy – Reg

The IEEE Student Branch of the institute has organized an awareness programme on “**Job Opportunities in Government Sector**” by **Sri. Dasaratha Rami Reddy, Member Secretary, Railway Recruitment Board, Secunderabad** on 02/08/2014 at 10.30 AM. Mr. Dasarath addressed the gathering about the opportunities in Government sector through GATE examination. He stressed his speech on how to prepare for the GATE examination and how to face the interviews, etc. He addressed the EEE department students during 10.30 – 1.00 PM and the other department students during 2.30 – 4.30 PM. At the end of sessions he told about the Swamy Vivekananda stories to inspire the students. Also, he shared his own experiences in the career. The brief Biodata of Dr. Hari is given below:

Mr. Dasaratha obtained his B.Tech degree from G. Pulla Reddy Engineering College, Kurnool, Andhra Pradesh. He secured all India 26th rank in GATE 2004 examination. Later he joined in IISc, Bangalore to pursue his Masters degree. After the completion of first semester he got the job in NTPC so that he discontinued the M.E degree and joined in NTPC. After few months of working in NTPC, he got all India 18th rank in Indian Engineering Service Examination and he joined in Indian Railways. At present he is working as Member Secretary of RRB, Secunderabad division.
