IEEE Student Branch

23/07/2014

Sub: IEEE Student Branch Inaugural Function Report - Reg

Co-curricular pursuits are essential to the educational programme and whether or not they carry credits in the curriculum. In view of this, our college has decided to start an IEEE Student Branch in the college premises. Our college has got approval on 15th May, 2014 to start the IEEE Student Branch. The Student Branch (STB) code of the institute is STB15721 and institute code is 2529731. At present, our STB is having 90 IEEE student members and 20 IEEE members (Faculty). The inaugural function of our STB was held on 19th July, 2014. For the inaugural function, Dr. B. Eswara Reddy, Professor of CSE department, JNTUA was invited as Chief Guest, Dr. M. Lakshmi Narayana, Vice-Chairman of IEEE Hyderabad Section was invited as Guest of Honour and Dr. Y. Vijayalata, Student Activities Committee Chair of IEEE Hyderabad Section, was invited as Invitee Speaker. Also, three student volunteers of the IEEE Hyderabad Section, Ms. Soumya, Mr. Vibhav and Mr. Ananth Krishna were invited for the inaugural function.

The program started with a prayer by Ms. Alekhya Bindu at 10.30 AM. Then, our college principal, Dr. B. Sreenivasa Reddy, presided over the function. The Student Branch Counselor (SBC) of the college, Dr. T. Brahmananda Reddy introduced the Chief Guest, Guest of Honour and Invitee Speaker to the audience. Later, the IEEE STB was inaugurated by the Chief Guest and Guest of Honour. The Student Chair, Mr. K. Anudeep gave the inaugural report, which depicted the student branch activities for the academic year 2014-2015. The Principal and the invited guests addressed the gathering and gave their suggestions for further strengthening of the student activities. The benefits of the IEEE membership were delivered by Dr. M. Lakshmi Narayana, Dr. Y. Vijayalata and student volunteers. They also shared their experiences and motivated them. They advised them how to maintain the activeness of Student Branch as well as strengthen themselves in both Technical as well as professional attitude.

Mr Mohan Nagella was appreciated by all the dignitaries through a memento for his work done with the help of LEDs and Arduino to display the IEEE name with the help of a remote. At the end, the Principal presented the mementos to the guests. Ms. Meghana proposed the vote of thanks.

As a part of IEEE Student Branch activity, a guest lecture has been arranged on “Missile Guidance” by Mr. D. Srinivasulu Reddy, Scientist `C` DRDL, Hyderabad at 2.30 PM on same day. Few photo snaps are given below:
