### **IEEE Student Branch STB (15721)**

Date: 04-10-2016

#### **Subject: Report on Awareness of IEEEEXTREME 2016**

In order to create an awareness regarding the ultimate world wide coding competition **IEEE EXTREME 2016** held by IEEE, an program was conducted on 04 October 2016 by the Student Branch Chair (Suraiah Thaseen). She took up the session which was continued by computer society faculty advisor (Dr. D. Kavitha, Prof of CSE Dept)

The main objective of the program was to make the students know the details regarding the **IEEE EXTREME coding competition** such as the registration, benefits out of the competition. All IEEE student members have attended this awareness program which was very useful to the student members.

Here are few snaps of the programs
