IEEE Student Branch (STB15721)

22/08/2014

Sub: A Report on MATLAB Workshop to IEEE Students Members - Reg

A workshop was conducted on MATLAB under IEEE student branch on 16-08-2014. This was presided over by student branch counsellor. One of the final year student member Mr. Sriram kashyap had conducted the workshop. About 80 student members have attended this workshop. The workshop was started at 9.00 AM. Basic introduction to MATLAB programming such as arithmetic operation, vector operation was given. Tasks were given to each student to write some basic programs in MATLAB. All the basics regarding the MATLAB programming were taught in forenoon. Practical implementation of MATLAB was done in afternoon session. The session was end at 5.00 PM. Students were interacted in afternoon session. At the end of the session every student was well aware of the basics regarding MATLAB programming.
