IEEE Student Branch (STB 15721)

Sub: PES Chapter- National Science Day-A Report on the Guest Lecture.

On the occasion of the “National Science Day”, IEEE PES Student’s Chapter has organized a Guest Lecture on 27/02/2016 at 11:30AM and the topic delivered is on “Latest Trends in Indian Power Systems” by Sri S. Ramakrishnam Raju, Asst.General Manager, Orvakal Power Grid Substation, Kurnool(Dist.).

Initially, the welcome speech and brief information on National Science Day was given by K.Vijaya lakshmi, of II EEE and guest introduction was given by S.Farhath Tasleem, of II EEE. Further the session was handed over to the guest speaker. In his lecture he gave a brief introduction about HVDC power transmission lines and continued with various stages of Power grids and Smart grids. He went on with his presentation about 2hrs. He also told about the problems faced during the installation of transmission system.

There were nearly 120 members present during the guest lecture. Then, certificates were distributed to the winners of paper presentation conducted on 20-02-2016 by the guest speaker. A memento was presented to the guest speaker by Dr.Y.V.Siva Reddy, Professor and R& D in charge of GPREC. Finally the session was ended with the vote of thanks given by T.Anilkumar, II EEE, and Secretary of PES chapter of GPREC. The following are the snap shots of the event
