

G. Pulla Reddy Engineering College (Autonomous):Kurnool IEEE Student Branch (STB15721)

14/10/2015

Sub: Guest lecture on "Empowerment of Women" Report-Reg

IEEE WIE AG of our college organized a guest lecture by Ms. Vijaya Bharathi (Head of NIRD at Orvakal) on 14-10-2015 from 10:30-11:30AM. The session was all about empowering women to know about themselves and enhance the innate abilities present in her. Ms. Vijaya Bharathi spoke eloquently on how poor women of Andhra Pradesh emerged as leaders and have proved that women can facilitate development. Furthermore she told that women are able to build a safety net around them and are able to address issues of violence (both private and public) through federation. Furthermore she told women have to be independent and how one can develop employment skills. All over the session was interactive. 97 Students from EEE, ECE, CSE, CIVIL branches attended the guest lecture.
