Sub: IEEE Report on the Seminar “Engineering-Nitty Gritty”-Reg

On the eve of Michael Faraday 224 birthday the IEEE chapter organized seminar. The Seminar was on “Engineering- Nitty Gritty” by Sri N. Santhosh Datta, programme manager – Robert Bosch Engineering and Business solutions. All the 2nd and 3rd year students of ECE,EEE,CSE and MECH attended the Seminar.

The main aim of the seminar was to create awareness in students about importance of fundamentals.

The principal felicitated him with a memento.
