Sub: IEEE WIE AG Fun Walk With Alumina 1992 Batch reg....

A fun walk was organized by GPREC on behalf of IEEE WIE Affinity Group and Women's cell on 23-07-2017. The reunion of 1992 batch was conducted on the occasion of completion of silver jubilee graduation. As a part of this reunion Fun walk was organized on the theme "**Women In Engineering**". The walk was organized under the guidance of IEEE SB counselor Sri C. Harinath Reddy, sports faculty and T&P volunteers. The walk was from Nandyal Check post to GPREC College. The walk started around 7:00am in the morning. Many girl students came up and participated actively along with the alumina. The walk was inaugurated by waving a flag in presence of alumina, faculty of GPREC and students. Students who participated interacted with the alumina and exchanged their ideas among them. The walk ended at 8:30am by reaching our college after reaching the college refreshments was arranged. There was a workout session for a while and at last the photography session was carried out.
